Letter of Support

TO
Prof. Mouhammad Mpezamihigo
Vice Chancellor Kampala International University
Chair VODAN Africa

Dear Vice-Chancellor Prof. Mpezamihigo,

On behalf the Ministry of Health of Ethiopia, it is my pleasure to provide this letter of support endorsing the collaboration on the analysis of data on corona between Kampala International University (KIU) and Addis Ababa University (AAU). We understand that this collaborative effort is testimonial in our continent to fight this pandemic.

We value the collaboration, and we welcome the project of the Virus Outbreak Data Network (VODAN)-Africa as a way of building capacity together, and we are very excited to be a part of these joint efforts, and strongly support this collaboration.

Most sincerely,

Lia Tadesse (MD,MHA)
Minister
