RE: LETTER OF SUPPORT FOR THE VODAN AFRICA PROJECT

Reference is made to your letter dated 10th August 2021 on the above subject.

On behalf of Ministry of Health- Uganda, it's with pleasure to provide a letter of support endorsing the collaboration on analysis of data about Corona between Kampala international university and the partners involved - Virus Outbreak Data Network (VODAN)- Africa, we appreciate this attitude of togetherness against the Pandemic and we hope this will improve data access on Management of the Virus.

The purpose of this letter therefore, we accept to collaborate with you and hope that this will contribute greatly in the fight against COVID-19 and future outbreak.

A handwritten signature in black ink, appearing to read 'Olaro Charles'.
